

Women's Imaging And Breast Care Center

Women's Imaging and Breast Care Center is located at 4521 Westbank Expressway in the West Jefferson Medical Plaza. This state-of-the-art facility has dedicated and certified staff with advanced skills in mammography, bone density stereotactic systems ultrasound technology.

The Women's Imaging and Breast Care Center added two state-of-the-art Digital Mammography units, in addition to new Digital computer assisted technology (CAD). The Center provides two radiologist readings that offer increased accuracy in breast imaging that makes us stand out in the Westbank area. A stereotactic procedure room allows for additional diagnostic technology and minimally invasive procedures to diagnose breast abnormalities within one week. The Center has two bone density rooms and one ultrasound room.

With three mammography units, computer assisted technology, and two radiologist readings, the Center offers an increased accuracy in breast imaging that makes us stand out in the Westbank area. A stereotactic procedure room allows for additional diagnostic technology and minimally invasive procedures to diagnose breast abnormality within one week. The Center has two bone density rooms and one ultrasound room.

The Women's Imaging and Breast Care Center is a comprehensive diagnostic Center that is designed to offer rapid response to the needs of the patients. Arrangements are made to meet each patient's medical needs in the speediest and most effective manner. Consultation with a breast specialist is arranged within 48 hours of a diagnostic breast examination. This type of dedicated and individualized service makes it possible for the patient's diagnostic course to begin as soon as possible.

For your convenience, patient registration is on site and walk-in patients are accommodated. Hours of operation are 7:45 am to 4:15 pm Monday thru Friday, and Saturday appointments are available. Parking on site is available.

Call 349-6300 to schedule an appointment or 349-6085 for additional information.
